INTRODUCTION

Front End Engineer who is passionate and confident in my ability to create and design beautiful interfaces. A fast learner and always eager to grow my knowledge. Morale tends to spike up due to my positive, upbeat and optimistic personality. Looking to grow with a great team of individuals that can guide my growth as an engineer.

EXPERIENCE

FRONT END ENGINEER | CONTENT CREATOR (FREELANCE)

Devinci Tech Solutions | April 2017 - Present

- Provide web services and create responsive web pages.
- Create video content and animations.
- Manage social media accounts to boost SEO.

FRONT END DEVELOPER (INTERN)

TheLatest.com Inc | September 2015 - February 2016

As an intern, I worked in a team of two with the UX/UI designer to implement the look and feel of the Android mobile app. I utilized IDEs and tools such as Android Studio, Genymotion and Microsoft Visual Studio Code.
